Track

DEBBIE ALATALO — Only Senior, did the Long Jump, 100 m Dash, and ran in the relays. Debbie was probably our most versatile performer filling in where ever needed. Finished the season with 19.25 points. Earned her second letter in track.

TRISH KAMROWSKI — One of two freshmen, she did the long jump, the two sprint relays, the 200 m dash and an occasional quarter mile in the mile relay. Her highlight had to be at the regional where she jumped nearly a foot longer in the long jump than her previous best. She finished third with a jump of 16 feet which qualified her to go to the State Meet. At this time she has 67.75 and earned her first Varsity letter in track.

ANIKA MONY — Our middle distance specialist. Anika ran the 800 m run as well as all the relays. She also had a nagging injury that didn't allow her to compete in every event that she could have. Her best day was against B.C. Pennfield with a 1st in the 800 m and the 1600 m relay. Anika finished with 43.25 points and earned her second letter in track.

PATTY ZIELINSKI — New sophomore, first year in track. Patty moved to our school and came out for track for the first time. She ran the 400 m or the 800 m. She took a second against St. Phillip in the 400 m dash. She finished the year with 10 points the number needed to earn her first letter.

RENNÉE DUNITHAN — Only competed for the last half of the season. Best outing was against Hackett where she took 16 points; 1st in the high jump, 1st in the high hurdles, 1st in the low hurdles, and 3rd in the 1600 m run. Rennee finished with 44.75 points. This is her third letter in track.

KRIS KUPIECKI — Had an exceptional season. Her best meet was against Hackett; she was 1st in the shot put and the discus, second in the high hurdles and low hurdles, for a total of 16 points for the day. Kris finished with the second highest point total for the season with 89.75 points. This is her second letter in track.

LORI-MARIE NEWTON — Our only K.V.A. all star (all-conference). Finished second in the KVA this year. She won the 100 m dash many times this year, her best day to date was placing first in the regional. Lori-Marie has qualified for the State Meet for the third straight year; as a freshman she was 6th in the State, 4th in the State as a sophomore, great expectation for this year. Lori-Marie earned the most points on this year's team with 109.5 points and earned her third letter in track. **SPECIAL AWARD — MOST POINTS**

KIM ZOMER — Field event specialist. Kim throws the shot put and the discus. She finished second in three different meets in the shot put. Kim even earned points in a running event, the discus relay at the Schoolcraft Invitational. Kim finished with 15.25 points and earned her first Varsity letter as a freshman.

JILL GOODRICH — Made the switch from sprints to long distance this year. Her best outing was against Battle Creek Pennfield with 11.25 points; 1st in the 1600 m and 3200 m runs, and 1st in the 3200 m relay. Jill finished with 34.5 points and her 2nd letter in track.

ANGIE MITCHELL — Had a rough season missing four dual meets because of injury. Angie ran in the sprint relays and the 200 m dash. Her best day was against Hackett when she won the 200 m dash as well as the 400 m, 800 m, and 1600 m relays. Angie finished with 35 points and earned 3rd letter in track. **SPECIAL AWARD — COACH'S AWARD**

KANTHREAS SMITH — Enjoyed her most productive season in track. Kanthreas did the long jump, the sprint relays and the 200 m dash. She had her best day at the Western Indoor track meet getting 3rd in the long jump, and 3rd in the 800 m relay. She has 20.75 points this season and earned her first Varsity letter in track.

TEAM RESULTS

Two Victories (Hackett and Pennfield) in dual meets. Placed 5th at the WMU Incoor. 6th out of 8 at Schoolcraft and in the middle of the pack at the regionals. Last in the G-A Invitational and last in the KVA.

FRIENDS

We've lived next door to each other for years,
We've shared our dreams, or joys, and tears.

Friends to me, you are indeed,
Friends who help me, when in need.

My faith in you is strong and sure,
We have such trust, as should endure.

Though words between us sometimes rise,
I know our friendship will never die.

The day our togetherness, in this little town ends,
We'll always be known as "the best of friends".

At times we laugh, and times we cry,
But we don't need to wonder why.

God put us on the earth as friends,
And we'll stay that way, until eternity ends.

Sometime we've had troubles, but mostly fun,
Congratulations to the Class of 1991!

Becki Crane

GRADUATION BLUES

As I approach the end of my school days,
I cherish every moment with my friends
because I know we'll go our separate ways,
and soon forget that we were ever friends.
I'm happy that the end of school is near,
but I am sad to see it go so fast,
and when it's over I will shed a tear
because these past four years have been a blast.
In years to come, we all will reunite;
we'll talk about our times at G-A high
and look at pictures of homecoming night;
then we will hug and kiss and say good-bye.
My friends and times we've shared I'll not forget,
but I don't want to let them go just yet.

Rebecca Kipp
